CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D.C. 20505

OFFICE OF THE DIRECTOR

6 February 1973

MEMORANDUM FOR: Dr. Henry A. Kissinger
Assistant to the President
for National Security Affairs

SUBJECT : Current Indochina Logistical Developments

On 5 February, your staff asked if we could be prepared to comment at the 6 February WSAG on the current state of Vietnamese Communist logistic activity. Actually, an analysis of this matter was already well underway. Attached are three copies of our just completed study, entitled "Communist Logistical Developments in Indochina Since the Cease-Fire."
